Beginning with detailed analysis to understand client culture and work practice, we believe in getting the thinking right at the start, value practicality as highly as aesthetics, and happily work to budget and deadline.

02 Work

On site in Richmond an 1880s union building is being updated for contemporary use with careful restoration, integrated technology and sympathetic finishes.

● LITTLE GREEN

Tailored to their work practice LRB's new office is open, organised and fluid, designed to facilitate conversation and communication.

LONDON REVIEW OF BOOKS ●

Inventive planning and multi-use furniture for shared workspace in a converted north London bus shed.

● OMNIBUS WORKSPACE

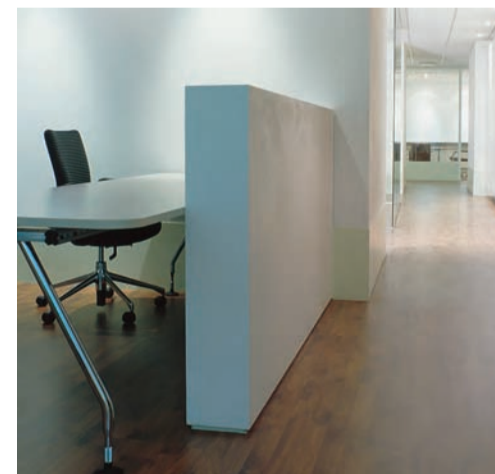

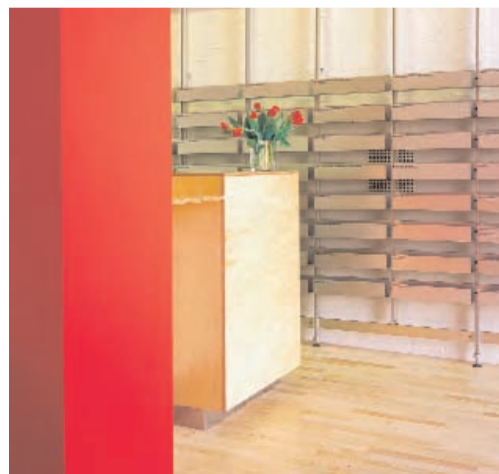

The first of three elegant, adaptable offices for Covent Garden brand consultants.

BRANDSMITHS ●

Commercial up-date with new lighting, finishes and a distinctive building identity.
